

# PETTAVEL

## 2001 Evening Star Sauvignon Blanc Semillon

### Background

The Evening Star range of wines, as the entire Pettavel range are produced exclusively from grapes grown on our Strathmore Vineyard. The Geelong climate has the greatest influence on the flavour development of our grapes, ensuring that subtle seasonal differences create an ongoing interest. The Evening Star range is centered around expressive Geelong fruit characters. The wines are all released ready to drink and great accompaniments to a wide range of foods.

### Winemaker - Peter Flewellyn

Blend Components - Sauvignon Blanc 80% Semillon 20%  
Harvested at peak flavour development and with high levels of natural acid, the grapes were cool fermented to retain maximum flavour intensity.

Upfront crisp herbaceous aromas and flavours of the Sauvignon Blanc combine with the ripe tropical flavours of the Semillon. A refreshing youthful wine suited for early consumption.

### Technical Specifications

Alcohol: 13.5%  
Standard Drinks: 7.7
