

## 2000 Platina Cabernet Sauvignon

### Winemaker Notes

Cabernet Sauvignon in our Strathmore vineyard produces consistently low yields, capturing varietal and regional characters in the grapes. Harvested in the cool of night then fermented in open top fermenters with manual plunging has allowed maximum extraction of flavour and ensured balanced structure in the wine.

The 2000 ripening season was warm and dry ensuring the grapes reached peak maturity, displaying bouquet and flavours of blackcurrant and rich red berry fruit. 18 months maturation in barriques has enhanced complexity, allowed full intergration of flavours and ensured maturation potential of the wine. Drink now or cellar for increased complexity and intergration over the next five years.
