

## 2000 Platina Merlot Petit Verdot

### Winemaker Notes

Blend components: Merlot 60% Petit Verdot 40%

A combination of low yield, vineyard site and macro climate develops distinctive varietal characters when the grapes reach full maturity, particularly in our densely planted hillside, old world style vineyards. These grapes were hand harvested, gently crushed and cool fermented to capture maximum fruit intensity. At the conclusion of fermentation the wine was pressed directly into Russian oak hogsheads for 14 months maturation.

Upfront perfumed floral and red berry aromas are also reflected on the palate with integrated oak and ripe silky tannins. A wine with both elegance and structure that will continue to develop in the bottle.
